

ADVANCE IN COTTON GOODS.

Price Said to Be Made Because of Advance in Fleecy Staple.

New York—The cotton goods and cotton yarn markets were considerably unsettled during the week by the necessity for readjusting prices near to the high levels of cost caused by the rise in cotton. Buyers have begun to pay the advances named thus far, which have been about half the amount that will be required if a 12-cent basis on cotton is to rule for the early fall months. Tickings, denims and other colored cotton goods advanced sharply. Drills and sheetings were advanced from 1-8 cent to 1-4 cent a yard, and will go higher, in the opinion of the trade here. Bleached cottons have been advanced 1-4 cent on the medium counts and 1-2 cent a yard on the fine counts. Wide sheetings were advanced 1 cent a yard to a basis of 25 cents for 10-4 goods.

All these advances named are but indications of the general rise which has taken place. Distributors are now notifying their trade of the advances made in the primary markets. Good crop reports have done much to stimulate interest in general buying, while cotton has been rising.

Cotton yarns have been advanced sharply since the cotton rise and there has been a broader inquiry. Trading has been limited somewhat by the unwillingness of mills to tie up machinery at this time for the late months until they can learn more about future cotton prices.

THE REAL TEST

Of Herpicide Is in Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vipers may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
